## SUMMARY

Multidisciplinary Motion Designer with expertise in 3D/2D animation, graphic design, and creative storytelling. Proficient in tools like Adobe After Effects, Blender, Cinema 4D, and the full Adobe Creative Suite, with hands-on experience producing visuals for print, digital, and video. Passionate about crafting emotionally compelling, visually impactful work that aligns with brand identity. Currently seeking full-time opportunities, where I can bring innovative design solutions to a collaborative creative team.

## EXPERIENCE

### **Creative Intern, Rajbhog Foods Inc.**

**Feb 2025 - Present**

- Collaborated with senior designers on branding, packaging, and motion design projects across digital and Print platforms.
- Produced animated assets in After Effects and Blender for social media, campaigns, and internal use.
- Assisted in developing presentation decks and marketing visuals, contributing to creative direction and concept exploration.
- Participated in project brainstorming, trend research, and visual development for client campaigns.
- Gained exposure to cross-functional workflows in a fast-paced environment with a hybrid work structure.

### **Letmegrab, Jr. Graphic & UI/UX Designer, Jr. Animator**

**Jun 2021 - Jan 2022**

- Created high-quality animations using Blender and After Effects for social media and product demos.
- Designed user flows, prototypes, and mockups with Adobe XD and Figma, improving UI/UX strategy.
- Collaborated with marketing and dev teams to align visual output with brand identity and user goals.

### **Loxoleo Pvt. Ltd. Senior Graphic Designer**

**Mar 2021 May 2021**

- Designed marketing visuals and developed animations in Cinema 4D and After Effects.
- Worked with digital teams to roll out assets for social media and email marketing.

### **The Printing Co. Graphic Designer**

**May 2020 - Sep 2020**

- Produced digital and print assets, including brochures, posters, and banners.
- Supported design and animation needs for commercial and internal projects.
